Nico's at Koonaburra Vineyard Your Wedding

You've said 'I do', now you need the perfect location to hold your wedding. You want lovely views, a nice setting, people who care, great food and wine and a relaxed atmosphere.

You only have a small number of very close friends and family and want to keep everything intimate. Just the way you planned it.

At Nico's at Koonaburra, we understand the importance of getting the right venue for your wedding. Located just 30km out of Canberra, Nico's is an intimate 40 seat restaurant attached to Koonaburra Vineyards with sweeping views over the hills towards Bungedore. The restaurant is a traditional stone cottage style with exposed wooden beams and polished wooden floors. Hand made furniture by Nico completes the charm and antiques enhance the atmosphere.

There is ample room for outdoor weddings and photography and we would be happy for you to hold your ceremony amongst the vines.

Our menu choices offer flexibility and of course, if you require something out of the ordinary, just ask and we will try and accommodate you.

Your hosts, Nico and Shawn, would love to make your special day even more memorable by ensuring that your dreams come true and your wedding is 'just as you planned it'.

We look forward to discussing your plans and to helping make your wedding day "Just the way you planned it".

Sincerely,

Nico and Shawn

Ceremony

We are more than happy for you to hold your ceremony on the premises. See our suppliers list for the names of celebrants we can recommend as well as AV equipment for outdoor music. Here is a list of ceremony options.

- In the vineyard, amongst the vines. Standing room only here! We can place a table and two chairs for signing of the register. This is a beautiful setting for a very intimate ceremony with your friends and family gathered around you to share in this special occasion.*
- On the terrace at the front of the restaurant. Our terrace can easily accommodate up to 40 people. If you would like something a little more formal we can place chairs on the terrace and assist with decorations. See our supplier list for florists and decorators.*
- In the restaurant. In case of rain, we could hold the ceremony near the glass doors overlooking the vineyard. Your guests would be seated at tables.*
